

Terms of Use Agreement (Member-to-Member Benefit Program/Card)

Discounts, incentives, special offers and benefits listed on this webpage are available to members of the Saint John Board of Trade (in good standing) and all of their full-time employees upon presentation of their Member-to-Member Benefit Program Card.

The Member-to-Member Benefit Program Card is not transferable and benefits are extended only in the presence of the Cardholder. Use of the Card is subject to the terms of the agreement to which the Card is issued, and the Cardholder acknowledges receipt of such agreement by such use. The Card is the property of the Saint John Board of Trade and must be returned upon request.

Member-to-Member Benefit Program Cards expire on an annual basis at the end of the last day of the current calendar year (with the exception of the first card, which will not expire until December 31, 2010). Cards will be reissued to members upon renewal of their Saint John Board of Trade membership. Cards will be issued to new members upon completion of the application process.

Discounts available are subject to change and will be reviewed periodically and updated regularly on the Board's website.
