

Saint John Board of Trade members,

On Thursday March 12th, the NHL Legends Maritime Tour will be making a stop at Saint John's historic Lord Beaverbrook Rink. Seven of the greatest hockey players to ever play the game will entertain fans young and old.

Hockey Hall of fame's Bryan Trottier, Billy Smith and Glenn Anderson, as well as other hockey legends Butch Goring, Gary Leeman, Rick Middleton, Terry O'Reilly are very excited to be coming to the maritimes. Hockey personalities such as these don't visit the port city very often and we are inviting the Saint John Board of Trade to get involved in this exciting event.

Your group is being offered the opportunity to mix and mingle with some of these legends at a private cocktail reception at the Ludlow room in the Mayor's office. At least two or more hockey legends will be present to sign autographs and tell some great stories.

To take part in the social, companies are required to purchase a minimum of twenty five game tickets. In return each purchaser will receive two VIP tickets to the event as well as having their company name listed in the program under the heading "Legendary Sponsors".

A minimum of twelve to fifteen companies are required to get on board to make this social a success. Upon this achievement the Saint John Board of Trade will be recognized as a presenter of the game and will be welcomed to drop the puck at the opening face off.

We are looking forward to the Saint John Board of Trades continued support of events like this which take so much work to bring to Saint John.

Respectfully,

Steve Walton
