Saint John Board of Trade Benefits Package Grow Your Business With Us

Welcome to Ossekeag Publishing Co Ltd. We are a local and family owned publishing company established in 2000. Our mandate is to provide community information to the Greater Saint John area residents from Petitcodiac to Saint John's eastern border and throughout West Saint John and beyond.

Our four biweekly community magazines are distributed via Canada Post to virtually every home in the geographic area we serve (almost 40,000 homes in southern New Brunswick) at no cost to the reader. For more information please feel free to access our site at: www.ossekeag.ca.

Ossekeag Publishing recognizes the challenges businesses are facing in today's challenging economy. To better assist the Saint John Board of trade members, we have put together a package that we are confident you will find beneficial.

We can offer the members that are new to Ossekeag:

1. 20% off one full page colour Business Profile in one of our four publications. We run only one profile in each issue so book ahead.
2. The opportunity to buy two consecutive issues at the regular rate per issue and get the third consecutive issue (of equal size/value) free. Good standing with Net 30 day terms are required.

Note: Ossekeag Publishing does reserve the right to modify, change or discontinue this offer at it's own discretion.

Our communities grow with the business base, and by working with you in growing your business we are also working at growing the community. In addition, your advertising dollars go toward assisting the local community organizations who use our magazines to communicate with their clientele and the community at large. Thank you for your faith in us, and welcome to our family.

Best Regards,
Mark MacPherson
