Canada's HR and Payroll Specialists

Powerpay Suite was developed by Ceridian Canada, a leading provider over the past 30 years of innovative solutions for small business owners and entrepreneurs. We serve more than 40,000 businesses from coast to coast in virtually every industry. Our Powerpay Suite is built on a solid foundation of corporate strength.

Secure and Confidential

Your data is stored within a secure physical environment in the Ceridian Computer Centre. It is not stored on your computer, so your business – and your employees' business – remains private. Both KPMG and IBM have conducted extensive security reviews of our solutions, including both internal and external audits.

Only authorized staff can access your information to carry out our contractual obligations. Our people are bonded, trained in security procedures, and comply with Ceridian's strict Code of Conduct and Pledge of Confidentiality.

Payroll Processing Services

By Web or by Phone, Powerpay Suite is a full service payroll processing service that includes:

- Customer Care from Certified Payroll Professionals
- Government Remittance services (CPP, EI and tax), eliminating the risk of missing payment deadlines
- Convenient direct deposits into employee accounts
- Management reports and employee pay statements, online or couriered to your door.
- Year-end services including T4s

To take advantage of this special offer call 1-888-841-9800 to reach a local representative in Newfoundland, New Brunswick, P.E.I. and Nova Scotia
